TERMS + CONDITIONS

Severance: If a provision of these Terms is held to be void, invalid, illegal or unenforceable, that provision is to be read down as narrowly as necessary to allow it to be valid or enforceable, failing which, that provision (or that part of that provision) will be severed from these Terms without affecting the validity or enforceability of the remainder of that provision or the other provisions.

Privacy: Since Eventful People is not established in the EU and doesn't currently target EU individuals as attendees at South African based conferences, the GDPR does not currently apply to us. However, as many Partner Companies have adopted the GDPR in their global businesses, and also in line with the South African Protection of Personal Information Act 2013, sharing of attendee details with Partner Companies is based on the attendee consent. <https://www.eventfulpeople.com/privacy-policy/>

These Terms may be modified or amended only by our written agreement.
